Welcome to *There is Hope Radio*. Today we're going to be sharing more about the ministry of *Creating Futures*. *There is Hope Radio* is an outreach of Creating Futures.

Two weeks ago my wife Carmi and I shared about one of the ministries of *Creating Futures*. It was regarding *Standing the Gap* or Intercessory Prayer Ministry for Individuals, Fairfield Bay and America. We did more than share about what we do every Tuesday at 4 or 45 p.m. and Saturdays at 5 or 30 p.m. We prayed.

Today I'm going to be sharing about another outreach of *Creating Futures*. It is *Saturate Arkansas*. Before I share about *Saturate Arkansas* and how it got started, I need to share about *Saturate USA*.

*Saturate USA* is a vision to take the love of the gospel to 120 million households in America by the end of 2027. The hope is to spark true repentance and revival in America. Saturate USA is a very simple process that any Bible-believing Christian church can participate in.

This is the process:

1. Your church adopts a zip code or a portion of a zip code.
2. Your church receives Saturate USA Saturate Packets, which include door hangers, multi-language Jesus film DVDs with free streaming app, gospel tracts and area maps. The good news is that the Saturate Packet materials are free. There is no cost to the church whatsoever, literally thousands of dollars in materials at no cost to the church because of private donors.
3. Your church creates Saturate Teams, which assemble the Saturate Packets with the church's customized literature.
4. The Saturate Teams go out and deliver the Saturate Packets to each household in the adopted zip code.
5. The end result is gospel information is provided to every household in a zip code at no cost. The church is able to provide information about their church to each household and the opportunity for the church to minister to individuals in their community.

So to summarize, *Saturate USA* is a very simple way for churches to get gospel materials into every household in their zip code at absolutely no cost to the church other than the cost for their personalized materials. It is a win-win-win. I love win-win-win situations. It's a win because each household in the zip code is getting the good news of their gospel. It's a win

because churches are able to reach out to their community at an extremely affordable cost. And it's a win because a great commission is being fulfilled.

So what about *Saturate Arkansas*? What is it? Well, I'm excited to share about *Saturate Arkansas* and how it came about. So let's start there. How did it come about? I was praying about Fairfield Bay in America. I was burdened by the fact that it is clear there are many who do not have a personal relationship with Christ or if they do, they manifest character that is not representative of Christ. I felt that as a ministry, we need to do more than pray. We need to get the gospel out to individuals. So, I started praying about what we should and can do.

Within a few weeks of praying, I was involved in a major vehicle accident while driving for my employer at the time. I hit two horses in the middle of the road at 58 miles per hour. Yes, two horses. It was early in the morning and I never saw them when I hit them. The vehicle was totaled.

The only injuries I experienced were some stitches in two fingers and a bruised eye socket. That's it. Anyone that has seen the vehicle are in absolute amazement that I survived the accident or that I at least didn't have more additional injuries.

I should mention that one of the horses crashed into the windshield, crushed the roof and went over the vehicle and dumped its stomach contents inside of the vehicle and on me. Thankfully, horses mainly eat hay and grass.

Approximately a month after the accident, I heard about *Saturate USA* on the radio. I knew my God had intervened in the horse accident. One of the purposes was so I could see the fulfillment of my prayer and more. Remember, my prayer was what we need to do to get more of the gospel to individuals, especially in Fairfield Bay.

*Saturate USA* was the means. But then I became burdened to do all I can to help get the gospel into every home in Arkansas, not just Fairfield Bay. That is how *Saturate Arkansas* came to pass.

By the way, you can read about the accident with all the details and actually see the vehicle accident with the horses by going to [creatingfutures.org/divine-intervention](http://creatingfutures.org/divine-intervention). That's [creatingfutures.org/divine-intervention](http://creatingfutures.org/divine-intervention).

Anyway, *Saturate Arkansas* is working with *Saturate USA* to get the gospel into every household in Arkansas. There are others besides us working with *Saturate USA* in Arkansas. But at *Saturate Arkansas*, we're doing what we can in our sphere of influence.

Guess what? If you are listening to this broadcast or its podcast, you're in our sphere of influence. We're looking for churches and individuals to partner with us and *Saturate USA* to get *Saturate* packets throughout Arkansas. Just maybe you're listening to this broadcast because God is calling you to help us *Saturate Arkansas/USA*.

If you would like more information, I'm going to give you a website to get more details. I will also give you my contact information. The website is [creatingfutures.org/saturatearkansas](http://creatingfutures.org/saturatearkansas).

So now you know more about three of the ministries at *Creating Futures*. *There is Hope Radio*, *Standing in the Gap*, our intercessory prayer ministry, and *Saturate Arkansas*.

I'm not sure what topic will be for our next broadcast. But before we end today's show, I want to do what I do every week, and that's pray.

Heavenly Father, I just come to you, Lord. I have no idea who's listening to this radio show. And there's the podcast that goes throughout the nation. So there's no way for me to know who's listening. There's no way for me to know where they are located at. But Lord, I just pray for our listeners. I pray for those who know Jesus Christ, their Lord and Savior, that they allow him to reign in their life, to be not just their Savior, but to be the Lord of lords, the King of kings in their life.

That Lord, they will allow you to transform them, mold them, and shape them more to the image of Jesus Christ. That Lord, where there needs to be repentance, they will repent, they'll make amends where there needs to be made amends. And Lord, I would pray for those who don't know Jesus Christ as their Lord and Savior, that they'd come to a saving knowledge of Jesus Christ.

They would understand the love of God, that he loves them in spite of wherever they may be in their life, has a plan for them to have eternal life in heaven through having a saving relationship with Jesus Christ. I pray, Lord, they would just say, "Lord Jesus, I'm a sinner, and I need a Savior. And I'm asking you to come into my life, to take control of my life, to change my life. I want to give you all." And Lord, I pray for those who are listening that maybe you're calling them to participate in *Saturate Arkansas* if they're in Arkansas, or *Saturate USA* if they live outside of Arkansas. They've listened to this broadcast, you've tugged on their heart just like you tugged on my heart. I wouldn't be talking about *Saturate Arkansas* or *Saturate USA* if you had not tugged on my heart, Lord. And I thank you, Lord, and I say this, I thank you for that accident. You preserved me from that accident. It put an incentive in me to do what I can to get the gospel into Arkansas. And so Lord, if there are those who have a heart's desire to get the gospel in every household in Arkansas or the USA, I pray that they will give me a call, Lord, that they will contact me, that we could share the vision with them, that we can partner together so we can see the salvation of souls. Lord, you know the situation here where we're broadcasting in Fairfield Bay.

You know the situation in cities across America. You know the situation in our land, in our country. You know what's going on in the world, Lord. And so we would just pray, Father God, there would be those who want to participate in getting the gospel, not only in every home in Arkansas and in the USA, but Lord, *Saturate USA* also has another entity that's helping to get the gospel throughout the world. And so maybe you're just tugging on somebody's heart today. So I pray, Father God, that you will speak to their heart, that they will listen, and that, Father God, they will respond, and that they can join us to make a difference in our communities, in our nation, and in this world. I pray this in Jesus' name. Again, to get more information, you can go to [CreatingFutures.org](http://CreatingFutures.org) forward slash *Saturate Arkansas*. Again, you can go to the website [creatingfutures.org/saturatearkansas](http://creatingfutures.org/saturatearkansas).

That's [creatingfutures.org/saturatearkansas](http://creatingfutures.org/saturatearkansas). It will tell you all about *Saturate USA* and *Saturate Arkansas*. There will be a contact form if you want to get more information.

Or you can also call me at 1-866-WANT-GOD, that's 1-866-WANT-GOD, or call 1-866-926-8463. That is 1-866-926-8463. By the way, you can call that number, and if there's certain topics that you would like us to cover here on There's Hope Radio, let us know. We'll see if we can tackle those subjects, whatever you may have. And you may say, why is this station called There's Hope Radio? Because we believe there's hope through the gospel of Jesus Christ. We believe there's hope when we share the word of God. We believe the Bible has answers, has solutions for all the different issues that are going on in our culture and our society today. And we believe that when there's the preaching of the gospel and sharing the word, that it makes a difference. It changes communities. It can change a nation. And so we do believe there is hope.

Next week's broadcast, it is going to be on bearing false witness. Speaking falsehoods about individuals seems to be an epidemic by some in Fairfield Bay, Arkansas and across America. Listen, making assumptions, making insinuations, speaking half-truths about someone, and obviously lying about someone all falls into the category of bearing false witness. This behavior is in violation of Commandment 8 of the Ten Commandments and several Bible verses of the New Testament regarding lying.

Sadly, there are those who claim to be Christians that get on social media and make statements that are not true about others. Maybe it's time that all of us check our hearts to make sure we're not bearing false witness and if we have done so, to repent and make amends. So be sure to tune in next week to hear my message titled, Bearing False Witness.

I sure hope if you're guilty of making assumptions, insinuations, speaking half-truths about someone, you will not wait until next week to stop the behavior and make amends today to those you have wronged.

By the way, we do need supporters for our radio show to keep us on the air. I might do a broadcast just about that, of how you can, I've never spoken about this, how you can be a sponsor of *There is Hope Radio*. So you actually could have advertising, *There is Hope Radio*. You could have an ad spot at the beginning of the show, at the end of the show. Or talk about how you can give to different ministries that we're doing.

Maybe there's somebody that just feels called to support the ministry we are doing. Maybe like to donate to keep this radio show on the air or to support any of our ministries. You can go to [creatingfutures.org/donate](http://creatingfutures.org/donate). That's [creatingfutures.org/donate](http://creatingfutures.org/donate). [creatingfutures.org/donate](http://creatingfutures.org/donate). Again, if you'd like to learn more about the divine intervention and the accident I have with two horses, you can go to [creatingfutures.org/divine-intervention](http://creatingfutures.org/divine-intervention). That's [creatingfutures.org/divine-intervention](http://creatingfutures.org/divine-intervention).
