Welcome to There is Hope Radio. Thank you all of our listeners who may listen to some of our broadcast or all of our broadcast on timeless radio, KFFB 106.1 FM on Sundays at 930 AM.

Well it is decision time for There's Hope Radio. Tomorrow June 2nd, I need to make a decision if we as a ministry continue to purchase air time to be on the air on 106.1 FM. Unless I hear from you, our listeners, or some donations come in to help us stay on the air, June 29th, 2025 will be our last broadcast.

So if you appreciate There is Hope being on KFFB 106.1 FM, we need to hear from you. I have made it very easy for you to share your input or to make a donation to keep us on the air. Our expenses honestly are minor, but there is a cost to be on the air.

As important as donations are to keep us on the air, your feedback is more important to us. Like I've said, I've made it easy for you to share your input. You can go online to fill out a simple survey, or you can leave us a voicemail with your feedback.

To fill out a simple survey, and you can fill it out anonymously, or to make a donation, go to www.creatingfutures.org/thereishope. That is www.creatingfutures.org/thereishope. I will share that web address throughout today's broadcast.

You can leave a voicemail with your feedback by calling 1-866-926-8463. That is 1-866-926-8463. I'll give that to you one more time, and we'll be sharing that number again throughout the broadcast. It is 1-866-926-8463.

Please listen to me. There can be hundreds listening to this show each week. Everyone is assuming that someone else will fill out a survey or leave a voicemail. The truth is, in the last month, we have not received a single survey response or donation. So based upon no response, maybe there's no desire for There is Hope to continue broadcasting on KFFB 106.1 FM.

If that is the case, our last broadcast will be June 29, 2025. So if you are a faithful listener to There is Hope Radio on Sundays at 930 a.m. and you would like us to stay on the air, we need to hear from you. Now I don't like doing this.

I don't like asking for donations. I don't like asking for responses, feedback, asking for you to let us know if you'd be on the air or not. I'd rather focus on the topics that we cover.

But to be honest, we need to do something to be able to stay on the air. And we've been on the air since October, and it's only in this month that we've ever asked for any support. So again, if you'd like to fill out the survey or make a donation, you can go to creatingfutures.org/thereishope.

That is creatingfutures.org/thereishope. One more time, creatingfutures.org/thereishope. Or you can leave a voicemail with your feedback by calling 1-866-926-8463.

That is 1-866-926-8463. One more time, 1-866-926-8463. There may be some listening to this broadcast for the first time.

This is not our normal broadcast. Far from it. If it is your first time, I'll let you know that There's Hope Radio is a 14-minute faith-based broadcast that airs every Sunday at 930 a.m. The current version of the show has been on the air since, I said October, it's been November.

Since November of 2024 on KFFB 106.1 FM. In the past, it was a live talk show that aired on KGNW 820 a.m. in the Seattle market. We have several years of podcasts.

Even if we go off the air, we will continue to do podcasts. So if you want to listen to any podcast, go to creatingfutures.org/thereishope. You can listen to us on Apple, iHeart, Spotify, Podbean, even YouTube.

So to listen to There's Hope Radio podcast, you can go to creatingfutures.org/thereishope. By now, you should have that drilled in your mind, creatingfutures.org/thereishope. The goal of There is Hope Radio is to address topics that pastors normally do not address from the pulpit.

We share Biblical principles on a variety of subjects, challenging our listeners to live lives according to Scripture. If all who call themselves Christians lived by these Biblical principles, our homes, our communities, our nation would be a better place, a better example of what it looks like when Christians allow the Word of God to transform them into the image of Christ instead of Christians being influenced by the world. If you're a new listener to There is Hope Radio, here are some of the topics we have covered in the past.

Praying the Word, What is Love, Walking Out God's Love, Honesty, Integrity, and Transparency, Changing Attitudes, Words, and Behavior, True Repentance, Bearing False Witness, Carnal Christianity, Sold Out for Christ, Pettiness, Healthy Communication, Addressing Issues in a Healthy Manner, True Salvation, Lifetime Resolutions, Changing the Community via Foot Washing, Forgiving of Self, Power of Forgiveness, Unforgiveness, Preparing for the End Times, Not of This World, The Worst That Can Happen, Confessing Your Sins, and hundreds of other topics over the years. You can listen to these podcasts by going to creatingfutures.org/thereishope. If we continue to be on KFFB 106.1 FM, here's some of the future broadcasts we plan on doing.

The Awe Of God, Fan Or Follower Of Jesus, Savior Or Lord, Who You Are In Christ, Victory Over Darkness, Overcoming Suicidal Thoughts, A Person Of Character Or A Character, Outside The Walls Of The Church, The Least Of These, A Little Dab Of Jesus, Get A Life,

Moving Beyond The Past, Walking In Victory Over Sin, The Great Commission, Worshiping People Or God, Hypocrisy Among Truth Tellers, Righteous Indignation, Self-Righteousness, Enough Already, Judgment Is Coming, Bride Of Christ Or Imposters, Who Is In Charge, Persecution Or Foolishness, Enough Drama Already, Drop The Baggage, Problem Solvers Or Problem Makers, Clean Out The Closet, What Spirit Controls You?

Along with all these topics, like always, we'll have some times of prayer. So if you want to hear some of these topics, if you want to keep us on the air, we need to hear from you, because literally, tomorrow, I must give notice to the station if we're going to continue to be on the air or not. So if you want to fill out a survey to let us know if we should be on the air or not, if you'd like to give financial support, you can go to creatingfutures.org/thereishope.

A reminder, I don't like being apologetic, we're always told that if we're going to ask for funds and get donations, you don't need to apologize for getting them. And so, I don't want to apologize that we're asking, but I want to make it clear, out of the months and months and then the years that we were on the air, rarely did we ever ask for support. Only when we were at a place that we needed support to be able to continue to be on the air. So if you can help us out, we'd appreciate it.

Well, as we close, we're going to do what we do every week, we're going to close in prayer. Heavenly Father, you know this is a struggle for me, you know it's hard for me to say the needs that we have and concern about people thinking that somehow we're taking advantage of individuals, we're trying to rip them off or we're trying to manipulate them to give. But Lord, all we're trying to do is cover our air costs and you know that. And Lord, as I think about this, as we share our needs, I'm thinking, how many people that are listening to us on the air have needs and they're too embarrassed or too ashamed or too afraid to share their need. And Lord, you want to answer our needs, you want to meet our needs.

And Lord God, we may not share it on the radio, but we certainly can share our needs to you. And so Father God, I just would pray that if anybody that's listening, they're going through a struggle, they're going through a trial, they're having a hardship, that they would come to you and ask for you to intervene in their situation. That they would be confident to know that they can boldly come before the throne room of grace because of Jesus Christ and share whatever the needs are that they have.

And to cry out to you, Lord, maybe they need physical healing, maybe they need help in their finances, Lord, maybe they're lonely and they need a friend. I don't know what their situation may be, but you do, Lord. And I just pray, Father God, they will boldly come before you and ask for your intervention in whatever situation that they have.

And Lord, if you want us to be on the air, you'll keep us on the air, you'll raise up support, you'll speak to someone's heart, other, maybe several people's hearts to keep us on the air. And Lord, if you don't want us on the air for whatever reason, then we're fine with that also. So we just ask that you work, that you move, that you reveal your will to us, that Father God, that I would know what the next step is, and that Lord, you give us favor, whatever that we do, we just need you, Lord God, to intervene in our current situation.

So Father God, I just pray, Lord, that your will be done, whatever it is, and we'll accept your will, because Father God knows best, and we'll give you all the praise, and we'll give you all the glory, and we just thank you, Lord, for you are a good, good Father. And we pray this in Jesus' name, amen, amen. Well, as I was praying, I was thinking about, I got a couple minutes here, so I want to share real quick, as I was praying, it did come to my mind that many times we're able to pray for others, but we have a harder time praying for ourselves.

Many times we're able to share the needs of others, but it's hard for us to share the needs of ourselves. And so, if you're struggling with that, if you are going through something, you're going through a troubling time, whatever it may be, find somebody that you can be vulnerable with, find somebody that you can share what you're going through. Get the help that you need.

It's okay to get help. And if there's any way we can be of help to you, I don't know what we can or can't do, but if we can be of any help, if you feel safe, give a call, I would love to just talk with you, to pray with you, to encourage you, and you can reach me at 1-866-WANT-GOD, that's 1-866-W-A-N-T-G-O-D. Again, that number is 1-866-WANT-GOD, you can also call 1-866-926-8463, that's 1-866-926-8463.

So you don't need a call to say you want to support the radio station, you don't need a call to give your feedback, you can call and just say, hey, I have a need right now, I need prayer, I need encouragement, I need a friend, I'm struggling right now. Any way that we can be of help to you, we would love to be of help to you, we can try to connect you to some resources if you need some help financially. Can't say what we can or can't do, I don't know, I know what God can do, He can do abundantly more than we can ask or imagine.

I've seen Him work so many times in miraculous, amazing ways, that I have no doubt in my mind, that if you're listening and you have a need, that our Father God can meet that need in an abundant manner, in a way that you can't imagine.

So one last time, we would love to hear from you, again, just to hear from you to say, hey, we don't like what we're hearing, we like what we're hearing, we want you to stay in the air, we don't want you to stay in the air, you can get feedback by going to creatingfutures.org/thereishope, that's creatingfutures.org/thereishope. I can promise you this, that if we continue to be on the air after tomorrow, that you won't hear this for a while, this is not my focus, my focus is to get the Word of God out there, so we pray that we can stay in the air, we trust the Lord that we'll be able to stay in the air, even if we don't stay in the air, we'll continue to do podcasts, and the podcast will be at creatingfutures.org/thereishope.
